- so you know you are on list to play. Bring check for amount on list to Golf Course playing for payment. We will have a desk setup to take check\cash payment day of tournament. You will be paying the committee not the actual course. Pairings will already be setup and listed. You will need to arrive at least 30 minutes early to get checked in allowing enough time not to delay starts.
- C) Last minute sign ups may be done but not recommended. No one will be turned away to play but we need to work in an efficient manner with Golf Courses in order to run as smooth as possible and be welcome back year after year! Ladies we can do this!
- 4) See Rules list provided.
- 5) More helpers may be needed as we get started and even grow
- 6) **No Shows or Can't make it** – Need to know any cancellations prior to day of playing so we can adjust our numbers and pairings. Please contact President at email / text / phone that signup was sent. Remember the committee and golf courses have put a lot of work into making these events happen and trying to get them to run as smooth and efficient as possible. If you do not show up when you sign up we could spend wasted time waiting on you to arrive and delay our starts. **Please everyone, be mindful and as courteous as possible. These outings are for all ladies to enjoy and being out together playing a game we all love! Let's cheer each other on and enjoy our time together. So now -- LET'S GO GOLF!**
